

1

CMK-SS3 Shown, NCC199CDV Pro Units Sold Separately.

2

CMK and CRK Systems Features & Benefits

- ✓ Easy to Transport
- ✓ Sturdy Aluminum Frame
- ✓ Install in Less Than 2 Hours
- ✓ True Commercial Manifold
- ✓ Best Value in the Industry
- ✓ Retrofit Easy Button

CRK-BASE + CMK-BB4 Shown, NCC199CDV Pro Units Sold Separately.

3

CRK-BASE Features & Benefits

- ✓ Assembly uses only 12 Bolts vs 60 Bolts of Competitor Racks!
- ✓ Single CRK-BASE allows for 1-4 units, competitor requires Base + Extension to install more than 2 units.
- ✓ Lighter weight corrosion resistant Aluminum frame vs. Heavier Coated Steel frame of competitor.

CRK-BASE Shown expanded to allow up to 4 units in a back to back configuration.

CMK (Commercial Manifold Kit) System Configurations

Side by Side

CMK-SS2

Wall Hanging Side by Side Commercial Manifold Kit featuring 2 NCC199CDV Tankless Water Heaters (sold separately)

Max BTU/h: 399,800

CMK-SS3

Wall Hanging Side by Side Commercial Manifold Kit featuring 3 NCC199CDV Tankless Water Heaters (sold separately)

Max BTU/h: 599,700

CMK-SS4

Wall Hanging Side by Side Commercial Manifold Kit featuring 4 NCC199CDV Tankless Water Heaters (sold separately)

Max BTU/h: 799,600

5

CMK (Commercial Manifold Kit) System Configurations

Back to Back

CMK-BB2

Commercial Manifold Kit connecting 2 Back to Back NCC199CDV Tankless Water Heaters (sold separately) installed on CRK Base - Floor standing rack (sold separately)

Max BTU/h: 399,800

CMK-BB4

Commercial Manifold Kit connecting 4 Back to Back NCC199CDV Tankless Water Heaters (sold separately) installed on CRK Base - Floor standing rack (sold separately)

Max BTU/h: 799,600

6

CMK (Commercial Manifold Kit) System Configurations

CRK-BASE

The CRK-BASE commercial rack kit allows for custom floor standing installations of 1 to 4 tankless units.

CRK-ADDON

The CRK-ADDON commercial kit lets you expand your existing system to more than 4 units.

7

CMK (Commercial Manifold Kit) Design Your System

CMK (Commercial Manifold Kit) Design Your System

Step 4 Choose the Floor-Standing Base (For CRK Only)

The CRK-BASE commercial rack kit allows for custom floor standing installations of 1 to 4 tankless units.

Step 5 Select Optional Extension (For CRK Only)

The CRK-ADDON commercial kit lets you expand your existing system to more than 4 units.

11

CMK (Commercial Manifold Kit) Additional Notes

- ✓ One CRK-ADDON may be used per CRK-BASE. Attempting to use multiple CRK-ADDON may result in misaligned water and gas manifolds.
- ✓ Up to 24 NCC199CDV Pro heaters can be connected using multiples of the CRK-BASE and CRK-ADDON kits. Quick Connect Pro up to 6 units or use a 6, 12 or 24 unit system controller (sold separately) to ensure system balancing and load management.
- ✓ NCC199CDV Pro units may be common vented, refer to the common vent manual for full details.
- ✓ Manifold sizing is designed for a maximum of eight (8) water heaters. In order to connect units in greater number than eight, a common header of a larger diameter may be necessary. Refer to local plumbing and/or building code for minimum pipe sizing requirements.

	<i>Min. Common Gas Header</i>	<i>Min. Common Water Header</i>	<i>Min. Common Condensate Header</i>
Up to 8 units	2 in	2 in	0.75 in
>8 and ≤16	2.5 in	2.5 in	1 in
>16 and ≤24	3 in	3 in	1.25 in
